 Director
 Procurement & Contracts
 Program Management Unit,
 PICIIIP-LG&CD Department
 Govt. of the Punjab

Summary of Scope:

This consultancy strengthens Output 3 of PICIIP by improving the quality of connectivity and mobility in these cities, and enhancing urban space experience by prioritizing pedestrian activity, NMT i.e. Non-Motorized Transport (specially walking) and public transport systems.

The assignment also strengthens Output 4, as the city comprehensive plan and sector master plans will enhance government institutions' capacity to make evidence-based strategic decisions when selecting priority areas for future urban infrastructure investments. Finally, the SWM sector master plan supports existing and future investments being made under Output 2 of this project.

Urban Mobility Design and Supervision Consultant (the Consultant) will be recruited for the preparation of a Land-Use focused City Comprehensive Plan, Urban Mobility (transport) Plan and SWM Master Plan for the cities of Sahiwal and Sialkot; and for developing detailed engineering designs of a number of transport and SWM related civil works in Sahiwal and Sialkot cities. The consultant will support the PMU in procurement of goods and civil works (where needed) and will be solely responsible for providing construction supervision and quality control of these sub-projects, involving supervision of contractors, control quality of construction and installation of equipment, implementation time, and cost, from inception up to completion in both Sahiwal and Sialkot.
